Erica and Marcelo,

Does 1pm Thursday work for you? Tom's available all afternoon after 1pm if a later time is needed.

Hi everyone,

Can you let me know if you have already uploaded your work plan to grants.gov? Also, I'd like to continue the conversation about the attached table and putting together a schedule for your BRP update.

I am available most of tomorrow and Thursday of this week.

Best,

Erica

Hi Erica,

Before I did a lot of work, I wanted to check with you on a few issues (clarifying questions). Please see attached spreadsheets for some initial work. The funding part by project/program is not going to be that hard, I think the outcomes will require much more work.

I see outcomes all over the Work Plan, so we would need to extract and define better.. We need talk to each program about these. What the WP has in an organized way are mostly outputs, from what I can tell. Talk to you soon.
